General terms and conditions

*** Individual stays CRIQUES DE PORTEILS - Route de Collioure 66700 ARGELES-SUR-MER France - tel +33(0)4 68 81 12 73 - www.lescriques.com - contactcdp@lescriques.com - Camping

When using the services offered by CRIQUES DE PORTEILS, we would ask you to read the following general conditions carefully. These apply to the booking period from November 2nd, 2020, April 1st, 2021 for stays taking place from April 2nd to October 30th, 2021. They govern the sales of stays and apply as soon as a down payment is made. The fact of booking a stay implies complete acceptance of our general conditions.

These conditions can be modified and/or added to at any time by CRIQUES DE PORTEILS. In this case, the new version will automatically apply to all new customers, who will be informed when it is put online on the website www.lescriques.com. Buyers acknowledge that they are fully aware that their acceptance of the content of these general conditions of sale does not require the manual or electronic signature of this document.

INTRODUCTION

The conditions for exercising activities concerned with the organisation and sale of trips or stays are laid down by the French Tourism Code, and more particularly articles L. 211-1 and thereafter of this Code. The purpose of these general conditions of sale is to govern the contractual relationship regarding the sale of individual stays between the company CAMPAR and its customers, and to set their respective obligations. The fact that CAMPAR do not take advantage of any provisions in the general conditions may not be taken as a waiver on their part. Any booking implies Customers' unreserved application and full acceptance of the general conditions, which take precedence over any other document. Unless CAMPAR have made a prior exception in writing, these general conditions apply to all customers. All documents other than the general conditions of sale, including catalogues, prospectuses, advertising and notices, are purely informational.

1 - RESERVATIONS AND RULES FOR STAYS

• Details of the services provided during our trips and stays are indicated on our website, www.lescriques.com. Starting on 4th September 2019, you can view current prices on this website and receive personalised assistance by contacting our team on +33 (0) 4 68 81 12 73. Customers can make use of the online or printed catalogue, or obtain descriptions of our services from our booking agents on site, by telephone or email. Customers themselves decide on the services they want when booking. Customers acknowledge that they are aware of the content of services, the destination and booking procedures, and all the characteristics of stays and accommodation. They acknowledge that they have requested and obtained all the information required for making bookings in full awareness of the facts. Customers are responsible for their choice of booking and its suitability for their needs, and CRIQUES DE PORTEILS may thus not be held responsible. The booking is deemed to have been accepted by customers at the end of the booking process. This process ends when CRIQUES DE PORTEILS have received the first down payment.

• A booking becomes effective solely with the agreement of the camping, after receipt of the down payment, and of either the duly completed and signed booking contract or the acceptance of the general conditions of sale with online bookings.

• Bookings are not binding upon CRIQUES DE PORTEILS unless the company has accepted them; CRIQUES DE PORTEILS are free to do so or to refuse, depending on availability and more generally on any circumstances that could interfere with normal performance regarding the booking made. In particular, CRIQUES DE PORTEILS offer family stays in the traditional sense, and accommodation is specifically designed for this purpose. CRIQUES DE PORTEILS thus reserve the right to refuse any booking that goes against this principle or seeks to distort it. • Subject to availability for the dates required, you can book a stay according to the procedures indicated previously.

• Your registration must be accompanied by a first down payment of 100 € for camping and 200 € for rentals including VAT, and must reach us no later than 7 days after you have made the booking. This will only become final when your down payment has been registered. The balance of the price must be paid no later than 30 days before your arrival date. Thus:

***With bookings made more than 30 days before the start of the stay: a down payment of the services booked must be paid when the booking for the camping is made. The balance must be paid no later than 30 days before the start date of the stay in the camping.

***With bookings made less than 30 days before the start date of the stay: the entire payment must be made when the booking for the camping is made.

NB: After these deadlines, if we have not received your down payment or balance, we will consider your booking to be cancelled, and we will offer the corresponding services for sale again. In addition, cancellation conditions will apply.

On receipt of your down payment, a confirmation of your stay will be sent to you indicating the balance still to be paid. Each payment must be accompanied by the dossier reference shown in this confirmation.

Anyone who arrives at the stay venue without having paid the remaining balance beforehand will be refused entry. With bookings made less than 30 days before departure, Customers must pay for the entire stay when booking. The date on which such bookings take place does not always make it possible to send you confirmation. You will then be deemed to have accepted all the information contained in the general conditions of sale or made known to you orally.

For safety reasons, the number of people who turn up for rental stays may under no circumstances exceed the number of places in the accommodation allocated or the number of people indicated in the contract. If the accommodation is over-occupied, i.e. the number of people exceeds the standard occupation capacity, supplementary charges may apply, which vary depending on the site and period. Prices are indicated at the time of booking.

• NB: No refunds will be made for any stays that are curtailed, interrupted or broken off (late arrival, early departure) or any unused services.

2 - PAYMENT PROCEDURES FOR STAYS

Payments for stays, which must be accompanied by the booking coupon, can be made by bank cheque or "chèques vacances": LES CRIQUES DE PORTEILS have Agence Nationale accreditation for Chèques Vacances, and you can use these holiday vouchers for any stay. We advise you to send cheques, indicating your dossier number, by recorded delivery with acknowledgement of receipt. Cheques that are not sent by recorded delivery and are not received by LES CRIQUES DE PORTEILS are entirely the customer's responsibility. They are valid for their face value up to the amount due for your stay, and should be used no later than when paying for the balance. In the event of a cancellation, any refund will be made by bank cheque, bank card (Visa, Mastercard, American Express) or bank transfer.

3 - PRICES

3.1: Prices and tourist tax

• Prices for all our stays, accommodation and associated services can be viewed on our website. Prices are set for each category and type of accommodation, and are in euros. LES

CRIQUES DE PORTEILS cannot be held responsible for any changes in exchange rates.

• Prices indicated are valid for the 2021 season. They correspond to one night and are quoted in euros. Persons over 18 years are concerned (01/01/2021: €0.66 in Argeles-sur-Mer and €0.34 for the eco participation).

• Prices including tax may be changed if there is an increase in the rate of the taxes for which our stays are liable.

• Prices are dynamic and change as the season goes on, meaning that customers benefit from the cheapest price on the day they book. The earlier you book, the lower the prices.

• Given the above and the active role of customers in the determination of the price applicable to their stays, which depends on how early they book, LES CRIQUES DE PORTEILS can under no circumstances be held responsible for any difference in price between two stays booked for the same period.

3.2: Price Reductions – Special Offers.

To benefit from a price reduction as part of a special offer, you must take advantage of it when you book.

Special offers are subject to certain conditions, particularly availability. It is not possible to combine several price reductions and special offers. Once customers have received confirmation or an invoice, they can no longer take advantage of a price reduction.

4 - BOOKING ALTERATIONS

4.1: Altering your booking

You can alter a booking at no charge up to 30 days before your original arrival date, subject to availability in one of CAMPAR. Please inform us rapidly by letter, email or fax, and confirm it with a recorded delivery letter with acknowledgement of receipt. A booking alteration can only be accepted within the limit of availabilities, and the request must be sent to CAMPAR by recorded delivery with acknowledgement of receipt.

The date retained after which customers can no longer make any changes to their stay is the date on which the letter with acknowledgement of receipt is sent, as evidenced by the postmark.

NB: If you fail to arrive without having made a specific alteration request, or indicating a delayed arrival date, the accommodation may be made available for sale 24 hours after the arrival date shown in the contract, and you will thus lose your booking and any sums already paid.

4.2: Changes made by LES CRIQUES DE PORTEILS

If before the departure date it becomes impossible to provide any of the stay's services following the occurrence of an unpredictable and insuperable event, the failure by an unconnected third party to provide the services stipulated in the contract, or a case of force majeure, we will inform you as soon as we can. You will then be able to cancel the stay or accept a change. You must let us know what you have decided within 72 hours (cancellation will entail the immediate refund of all sums already paid, while acceptance of a change will give rise solely to the refund of sums paid in excess, as the case may be). Please note that this kind of situation does not give the right to any indemnity.

5 - BOOKING CANCELLATIONS

5.1: Cancellation by the customer

If you wish to cancel a stay, please inform us promptly by letter, email or fax, and confirm this with a letter sent by recorded delivery with acknowledgement of receipt.

Any request to cancel must also be confirmed with proof, sent by recorded delivery with acknowledgement of receipt to CAMPAR. The date retained to put the customer's cancellation of the stay into effect will be the date on which the letter with acknowledgement of receipt is sent, as evidenced by the postmark.

5.1.1 Cancellation insurance:

It is possible to take out cancellation insurance: The subscription fee is 3€ per day, multiplied by the total number of days comprising your stay. In order to receive this, cancellation of the stay must be confirmed by registered post; this cancellation insurance ceases to be valid from the first day of your stay. This cancellation insurance will only reimburse the cost already paid, not including the cost of the insurance.

5.1.2 Refund without cancellation costs:

We will refund all sums previously paid (apart from administrative costs of €26), without cancellation costs up to the day before your arrival if the cancellation is due to the following substantial reasons, provided that appropriate proof is provided:

***The illness, accident or death of the person who made the booking, or of his/her spouse, ascendants or descendants.

***The redundancy of the person who made the booking or of his/her spouse.

5.1.3 Refunds with cancellation costs

If the cancellation takes place for a reason other than those listed above, no later than 30 days before the arrival date, we will reimburse you the amount of money received minus 26€ booking fee and 30€ cancellation costs.

5.1.4 Cancellation giving rise to no refund

If the cancellation takes place for a reason not stated above less than 30 days before the arrival date there will be no refund.

5.2: Cancellation by CAMPAR

If CAMPAR cancel the booking without proposing an alternative equivalent solution, you will obtain an immediate refund of all sums already paid. However, this cancellation does not give rise to any indemnity.

Likewise, if CAMPAR cancel a stay because of an event constituting force majeure as defined in article 1148 of the French Civil Code, you will receive a refund of the sums already paid, but no indemnity will be paid.

The late checkout allows you to stay in your holiday rental until 2 p.m. at the day of departure, provided that a reservation has been made and the fee has been paid at reception the night before.

It must be left in clean condition, and the inventory may be checked. Tenants must pay for any objects that have been broken or damaged, together with any damage to the premises if this proves necessary. The deposit will be returned at the end of the stay after any compensation has been duly deducted for any damage noted during the end-of-stay inventory.

The fact that a deposit is retained does not exclude the payment of additional compensation if costs come to more than this amount. If the premises have not been cleaned before departure, you will be charged a cleaning fee of €65. If you leave after the stipulated deadline, you may be invoiced for an additional day at the current price per night.

SPECIFIC PROVISIONS FOR ONLINE BOOKING

1 - TECHNICAL DETAILS OF ONLINE BOOKING PROCEDURES

As previously indicated, customers can book stays online via the website www.lescriques.com. Notwithstanding the rightful application of the previous clauses of the general conditions to any booking, whatever its form, the technical procedures for online booking are detailed here. Customers can decide online bookings according to the availability and price applicable. They can also choose a number of optional services. Online booking is carried out in several stages, enabling customers to check that the stay chosen meets their wishes, and to go back over the booking before finally confirming it. A booking for a stay at LES CRIQUES DE PORTEILS will only be validly registered on the site if customers have clearly identified themselves with a login, or have created a user account.

The final confirmation of a booking enables customers to check that it meets all their requirements, and to indicate their acceptance of these general conditions of sale before going on to make the secure payment of the down payment required.

Once all these stages are completed, LES CRIQUES DE PORTEILS will confirm the registered booking through an email, which also contains a link to these general conditions of sale. The booking is considered firm once customers have received this confirmation email from LES CRIQUES DE PORTEILS. This confirmation is deemed to mark the signature date of the sale contract and the date on which these general conditions have been accepted.

2 - ONLINE PAYMENT AND SECURITY OF TRANSACTIONS

Customers are reminded that:

- An initial payment of the amount of the stay is made when booking a stay online.

- The balance for a stay will be paid in full 30 days before arrival. This payment is carried out online using a bank card (Visa, Carte Bleue or MasterCard only) and a secure payment method. All the necessary means are implemented to ensure the confidentiality and security of data transmitted on the web. In this respect, the website uses an SSL (Secure Socket Layer) module, meaning that the information transmitted is encrypted by a software programme and no third party can obtain access to it
